1. Preamble and Behavioral Standard

Dhaka International University is dedicated to maintaining a safe, respectful, and academically rigorous environment. This document sets out the baseline expectations for the behavior of all students while on campus premises or during university-sanctioned off-campus events. Enrollment at DIU automatically commits a student to uphold these codes.

2. General Rules of Campus Conduct

Students are expected to behave with maturity and integrity, respecting the rights, safety, and dignity of all members of the university community.

- **Dress Code:** Students must wear clean and modest attire suitable for a professional academic environment. Clothing featuring offensive language, inappropriate imagery, or politically disruptive slogans is strictly prohibited.
- **Property Respect:** Defacing, damaging, or unauthorized use of university property (including buildings, lab equipment, furniture, and landscaping) will be treated as a serious infraction. Violators will face financial restitution and disciplinary action.

3. Prohibited Misconduct & Severe Violations

The university enforces a zero-tolerance policy for behaviors that threaten campus peace or compromise academic ethics.

2. **Interim Suspension:** The university may issue a temporary suspension while an active investigation is carried out.
3. **Final Judgment:** If found guilty, penalties ranging from a written warning or monetary fine to permanent expulsion will be applied based on the severity of the offense.
