

Dhaka International University (DIU)

Office of the Registrar | Financial Aid & Scholarship Committee

1. Objective and Scope

Dhaka International University (DIU) is committed to nurturing academic talent and ensuring that financial constraints do not hinder high-achieving or deserving individuals from pursuing higher education. This document outlines the administrative rules, eligibility criteria, and maintenance frameworks governing institutional tuition fee waivers and scholarships.

2. Merit-Based Admission Waivers (Undergraduate Entry)

Initial tuition fee waivers are awarded dynamically to newly admitted undergraduate students based on the combined results of their Secondary School Certificate (SSC) and Higher Secondary Certificate (HSC) or equivalent board examinations:

Academic Result Criteria (SSC & HSC)	Tuition Fee Waiver Percentage
Golden GPA 5.00 in both SSC and HSC	50% Tuition Waiver
GPA 5.00 in both SSC and HSC (Non-Golden)	25% Tuition Waiver
GPA 5.00 in HSC alone	15% Tuition Waiver

Note: For specialized programs such as the Bachelor of Pharmacy (B.Pharm) and LLB, specific baseline criteria may differ based on regulatory council requirements.

3. Statutory & Special Category Waivers

In alignment with national mandates and institutional social responsibility, DIU provisions dedicated waivers for the following student cohorts:

- **Freedom Fighter Quota:** 100% full-free tuition studentships are reserved for the children of certified Freedom Fighters of the 1971 Liberation War, subject to verification of valid government documents.
- **Female Student Quota:** A 10% to 15% special tuition waiver is systematically applied to female applicants across specific departments to promote gender equality in higher education.

- **Sibling/Spouse Concession:** When two biological siblings or married couples are enrolled concurrently, the second student is granted a 25% waiver on their tuition fees.
- **Remote/Underprivileged Regions:** Students hailing from officially designated underdeveloped or tribal regions may receive special grants based on recommendations from the local administration.

4. Semester-Wise Performance Waivers (SGPA)

Enrolled students who do not carry admission waivers can earn financial rewards mid-degree based on their continuous performance in the immediate preceding trimester (Semester Grade Point Average - SGPA):

- **SGPA 4.00:** 50% tuition waiver for the subsequent trimester.
- **SGPA 3.90 – 3.99:** 30% tuition waiver for the subsequent trimester.
- **SGPA 3.80 – 3.89:** 20% tuition waiver for the subsequent trimester.

5. Maintenance and Revocation Terms

All institutional scholarships and waivers are privileges requiring continuous compliance with the following academic and disciplinary standards:

1. **Credit Load:** Students must maintain a full-time regular credit registration status (minimum **12 credits** for undergraduate trimesters).
2. **Minimum Standing:** Recipients must never fall below an SGPA/CGPA of 3.00. Dropping below this threshold results in an immediate suspension of the waiver until the grade reflects recovery.
3. **Disciplinary Clean Sheet:** Any student found guilty of exam malpractice, violations of the student code of conduct, or non-payment of miscellaneous operational fees will face permanent revocation of all financial aid privileges.
