- **Damaged/Lost Material:** If a borrower damages or loses a book, they must either replace the book with an identical/latest edition or pay **twice the current market value** of the book, along with any accrued overdue fines.
- **Clearance Holds:** Unpaid library fines or unreturned materials will trigger an administrative hold, preventing students from obtaining trimester exam admit cards or transcript clearances.

- **Online Public Access Catalog (OPAC):** Accessible campus-wide, allowing users to search for books by title, author, or ISBN.
